

PARTY CONFERENCES 2021 HAVE CONVERSATIONS THAT MATTER.

Partnering with Demos is a way to reach the people who matter at all major conferences, with events that bring policy to life.

WHY DEMOS?

Demos is the UK's leading cross party think tank, and the only organisation with extensive programmes at Conservative, Labour and Lib Dem conferences. We facilitate conversations that matter: through engaging events, influential speakers and platforms that parliamentarians want to be on.

DEMOS

The unprecedented change brought about by Covid-19 makes our truly cross party insight, research and access to the decision makers and intellectuals who matter more important than ever.

The 2021 conferences are now bringing us all together for the biggest and most diverse networking opportunity of the calendar for the first time in two years.

We work closely with our partners to design events – whether a panel, roundtable or public forum – that maximise impact, ensuring the best format, title, speakers and attendees, including recognised experts, practitioners and parliamentary representatives.

YOUR SPONSORSHIP WITH DEMOS INCLUDES:

- Event listings in the fringe guide for each conference
- Promotional material
- Event promotion on Demos' website, social media channels and newsletter
- Invitations mailed to Demos' extensive networks
- Sponsor branding at events and sharing of literature
- A write-up in the Demos 2021 Impact Report
- Priority spaces at an invitation-only dinner at both conferences hosted by a very special guest
